

K10 Annual Apprenticeship Awards, 2022

Here at K10, we like to ensure that the hard work and dedication of our apprentices on the Hill Cambridgeshire apprenticeship programme does not go unnoticed.

By way of appreciation, the 2022 K10 Apprenticeship Awards recognises the apprentices that have performed to the very highest standards on site, or at their studies.

We would like to congratulate all of the winners and the contractors that have

“It has been a pleasure working with K10 this year in Cambridge. We have some really dedicated apprentices working across our supply chain, learning and developing their skillset daily. It has been fantastic to see the enthusiasm and progression of the K10 programme and seeing the apprentices make such great strides over the course of the year.”

Tom Hill,
Regional Director, Cambridge Investment Partnerships

“The Hill/K10 Cambridge Shared apprenticeship scheme is a great initiative, it’s been a pleasure to host so many excellent apprentices from the local area at my site. It’s important that through schemes like this that we bring new blood into the industry to carry on the knowledge and skills that we use to develop the built environment.”
