

Heathrow Shared Apprenticeship Scheme Awards, 2022

Heathrow

Employment & Skills Academy

Here at the Heathrow Shared Apprenticeship Scheme, we ensure that all of the hard work, dedication and commitment shown by our apprentices throughout the year is recognised.

Therefore, the Heathrow Shared Apprenticeship Scheme 2022 Awards is in place to reward these individual apprentices. Whether it be their performance in college or on site.

Congratulations to all the winners and compliments to the contractors who have guided them to success throughout this year.

Atkins - Contractor of the Year 2022

"The Heathrow Shared apprentice scheme is really valuable to Atkins as it allows us to engage with early careers and local candidates specifically for this account. This supplements the already fantastic work Atkins do within our Apprentice & Graduate schemes internally across the wider business. There is always a lot of good intention when it comes to investing in apprentices, but the commitment is harder to secure with a number of barriers stopping hirers hitting the "go" button. This scheme gives the flexibility for Heathrow partners to commit which is a win-win for everyone. Our three apprentices this year, Sasmiitta, Morgan & Richard, have been supporting our PMO contracts team, providing quality assurance support & assisting with construction supervision. We are very pleased with our candidates this year and hope to add to them early 2024."

Magnus Parker,
Director, Atkins

Reece Parekh - College Performer of the Year

"I would like to say a huge thank you to everyone who has assisted me in my apprenticeship so far. I would specifically like to give credit to Jason my line manager at Wingate. He has given me the opportunity to develop my knowledge and experience on some of the largest construction projects at the airport. I would also like to say thanks to Oliver and Sean at the Heathrow Academy who have helped massively this year, with their help, I have been able to push forward with my exams and practical assessments allowing me to qualify very soon."

Reece Parekh,
Level 3 Electrician

Niall O'Shea - Completer of the Year

"I thoroughly enjoyed my time working for K10 on the Shared Apprenticeship Scheme. I have learnt many skills both within the construction industry and personal skills through working within a team, that I am applying to my current position."

I joined K10 at a tough time just as Covid hit but they were great in finding me a contractor to work for throughout and successfully completing my apprenticeship and finding a position in the industry."

Niall O'Shea,
Level 4 Quantity Surveyor

Deveshwar Virk - Technical Apprentice of the Year

"I would like to say a huge thank you to Dyer and Butler for continuously supporting me in my learning pathway especially the Projects Team, who have made me feel a part of the team since the first day I joined. They have consistently given me the correct skills and knowledge to progress further as an individual and within my role."

Deveshwar Virk,
Level 4 APM

"Deveshwar has demonstrated an exceptional willingness to learn and develop as a professional within the industry. His efforts add value to the team and to the quality of work that the Dyer & Butler Projects team delivers at Heathrow Airport. The Technical Apprentice of the Year award is well deserved and a sign of better things to come in the future."

Eleftherios Moulis,
Project Manager, Dyer and Butler

Kaylem Stacey - Trade Apprentice of the Year

"I have thoroughly enjoyed my time as an apprentice so far, Maber is a great place to work and I have loved the variety of work available here, it's really helped me progress and make headway with my qualification."

Kaylem Stacey,
Level 3 Electrical Apprentice

"We at Maber are very pleased with Kaylem's progress during the past year, he has fitted in very well with a Team of 8 working in some very hard conditions within the Cargo building, I have had good reports from the site foreman Rafael Suarez during this time and hope that it continues."

I would like to personally thank Kaylem for all the hard work and for working nights throughout the year."

Geoff Moggridge,
Project Manager, Maber

Abigail Morgan - Overall Performer of the Year

"I have really enjoyed my time as an apprentice so far. Trinity is a great company to work for, and the variety of work has allowed me to learn a lot and expand my skillset"

Abigail Morgan,
Level 3 Business Administration Apprentice

"Since joining the Trinity team at Heathrow Airport, Abigail has established excellent relationships with her colleagues and customers alike. She is focused, conscientious and a pleasure to work with."

Abigail has a very bright future ahead of her and will be an asset to any team."

James Cass,
Project Manager, Trinity
