

HEATHROW SHARED APPRENTICESHIP SCHEME AWARDS, 2023

The Heathrow Shared Apprenticeship Scheme likes to ensure that all of our apprentices' hard work and dedication does not go unnoticed. By way of appreciation, the 2023 Heathrow SAS Awards recognises the apprentices that have performed to the very highest standards at work, or at their studies. We would like to congratulate all of the winners and the contractors that have supported them, for all of their effort and application over the last 12 months.

ROSS VOGES - Best Technical Apprentice

"I would like to say a huge "thank you" to Maber Construction for continuously supporting me in my development and making me feel a part of the team from day one. They have consistently given me the correct support and knowledge to progress further as an individual and within my role. "

"It's been a pleasure to have Ross on board with our team and he has become part of the organisation we're building on today. He has excellent communication with the management and site team. Ross always ensures the site operates safely and standards are maintained, he's a credit to the Heathrow SAS."

Sean Trentham - Project Manager - Maber Construction

JULIA SEAL - Best College Performer

"I am extremely grateful for the opportunity that Chisholm & Winch and the Heathrow SAS have given me. Since joining the team, I have had the chance to develop both personally and professionally, I am now more confident and feel highly valued as a member of the team. I have taken every opportunity that has come my way and am excited to continue my journey with C&W. I especially want to thank my manager Prakash as well as Luca for helping me this year. "

"Julia has been a joy to work with, she has been extremely productive & helpful, from day one Julia has shown a willingness to learn no matter what we throw at her. During her short time at Chisholm, she has completed key jobs to a high standard for example creating a Net Carbon Zero Policy with our Director, Jason. She is a great asset to our team & we can not wait to see what the future will bring."
