

THAMES WATER SHARED APPRENTICESHIP SCHEME AWARDS, 2024

The Thames Water Shared Apprenticeship Scheme likes to ensure that all of our apprentices' hard work and dedication does not go unnoticed. By way of appreciation, the 2024 Thames Water SAS Awards recognises the apprentices that have performed to the very highest standards at work, or at their studies. We would like to congratulate all of the winners and the organisations that have supported them, for all of their effort and application over the last 12 months.

"It's been a pleasure to witness some of the outstanding performances from those involved in the Thames Water Shared Apprenticeship Scheme. It's fantastic to see so many talented individuals entering the industry and gaining skills that are so in demand in our sector. Well done. "

Andrew Popple - Director of Delivery - Thames Valley

ELIZABETH ROCCO - Mentor of the Year

"Elizabeth has given me constant support and guidance working here at Galliford Try. Her knowledge and experience have been invaluable to me both personally and professionally. I am grateful to have her as my mentor."

Ajay Pravinchandra - Apprentice Quality Practitioner

"Working with Ajay through the K-10 apprenticeship program has been one of the most rewarding experiences of my career at Galliford Try. When he first joined our team, I saw a shy young man with potential, and it's been incredible to watch him grow into a confident, capable professional. Despite facing personal challenges this year, Ajay's dedication never wavered - if anything, it showed just how resilient he is. He's not just reliable and hardworking; he's become an essential part of our Quality Assurance team. What makes me proudest as a mentor isn't just his technical growth, but seeing how he's found his voice and place within our team. This mentoring experience has reminded me why I love what I do, and watching Ajay's journey has been as rewarding for me as I hope it has been for him."

Elizabeth Rocco - Quality Assurance Manager, Galliford Try

Elizabeth Rocco & Ajay Pravinchandra

OLIVER HUSSEIN - Apprentice of the Year

"I have thoroughly enjoyed my time on the scheme so far. K10, Thames, and Costain have supported me massively at the start of my new career journey, pairing me with a top team that is a joy to work with"

Oliver Hussein - Apprentice Site Manager, Costain

"Since Oliver has joined us, he has become a key member of the site team showing great enthusiasm and knowledge, as well as a real desire to achieve his goal of completing his apprenticeship. He has completed several supervisor / manager courses and has begun to supervise site activities on his own, completing these tasks to a high standard. I believe he has set the bar for others wishing to progress through the apprenticeship scheme, he would be an asset to any team"

Warren Mitchell - Work Superintendent, Costain

"I am truly honoured and grateful to receive this

award. This achievement would not have been

GARY DHALIWAL - Best 1st Year Apprentice

possible without the incredible support and resources provided by K10 Apprenticeship, MWH Treatment, and Thames Water. They have equipped me with the tools and opportunities to unlock my potential and pursue my passion for becoming a Data Analyst. I look forward to continuing my journey of growth and learning with them." Gary Dhaliwal - Data Analyst Apprentice

and commitment to continuous learning have set him apart. Winning 'Best Apprentice' in his 1st Year is a well-deserved recognition of his hard work and outstanding contributions." Matthew Tingley - Digital Delivery Lead, MWH Treatment

"Gary has truly excelled in his first year as a Data

Analyst Apprentice. His dedication, analytical skills,

"My time as an apprentice project manager at

GEORGE BROOKS - Best 2nd Year Apprentice

a world of possibilities within the civil and mechanical engineering industry - the experience has helped me develop an array of professional and personal skills, and has given me a start in a career which I wouldn't have felt possible without K10's guidance and the support from the teams I have worked with at GT and Thames"

Galliford Try and Thames Water has exposed me to

George Brooks - Project Management Apprentice

"George has been a keen and conscientious member

of the team, he is always prompt, and his attendance has been excellent. During our regular reviews with K10 it has been noted that he is progressing well with his learning, and college assignments and he has also engaged well with the onsite project delivery team, he is keen to get involved and not afraid to ask questions. Congratulations George, very well deserved!"

Darren Hickey - Senior Project Manager, Galliford Try
