

K10 ANNUAL APPRENTICESHIP AWARDS, 2025

Here at K10, we like to ensure that all of our apprentices' hard work and dedication does not go unnoticed. By way of appreciation, the 2025 K10 Apprenticeship Awards recognises the apprentices that have performed to the very highest standards on site, or at their studies. We would like to congratulate all of the winners and the contractors that have supported them, for all of their effort and application over the last 12 months.

BENHABBERLEY Mentor Of The Year

"Ben is a fantastic manager, one of a kind, he's always around on site to help with anything, he's always there to teach you what you don't know, he's normally the first one in and the last one to leave, he's incredibly hard working. No matter how much stress he might be under he's always smiling and friendly with everyone and is always on good terms with every other trade on site, he truly loves his job and it shows."

Terry Dunn - Apprentice Carpenter, South Eastern Carpentry

"Ben has a wealth of carpentry knowledge and consistently supports his apprentice's development by providing excellent guidance and encouragement, giving them plenty of opportunities to progress confidently in their roles."

Lisa Housego - Contract Administrator, South Eastern Carpentry

ABDIMAJID OMAR Apprentice Of The Year

"Within 2 years at Fulton under the GMEP team, Abdi has impressively progressed both in skills and mindset going from a cautious apprentice to a valuable member of the site team. His ambition to obtain his electrical qualifications is admirable and he has learned a lot from our infrastructure works on a flagship project where the standards are set so high. I am looking forward to further witness his growth and potential achieved in the industry."

Andrei Simbeteanu - Electrical Project Manager, Gloster MEP

"My apprenticeship with K10 has been an incredibly positive and foundational experience. From the outset, I was integrated into meaningful projects, receiving hands-on training complemented by thorough, structured learning. The mentorship culture is outstanding; my supervisors and colleagues are consistently supportive, offering clear guidance while encouraging independent problem-solving. This balance has accelerated my practical skills and professional confidence, making me feel like a valued contributor from day one. I truly appreciate the investment K 10 makes in its apprentices, fostering both immediate competence and long-term career growth."

Abdimajid Omar - Apprentice Electrician, Gloster MEP

ISMAIL HAJI Best 1st Year Apprentice

always comes to work with a smile on his face and is good at following instructions. I am happy to work with him and help him progress in his role."

"Ismail is hard working, punctual and polite, he

Kishor Dabasia - Project Manager, Brown and Carroll

"Winning the Apprentice of the Year Award genuinely

means a lot to me. It's been a tough journey at times, with plenty of challenges and moments where things felt overwhelming, but I kept pushing. This award feels like recognition of that effort and growth, I'm proud of how far I've come. I'm very grateful to the whole K10 team, especially Eric and Lucas who have always helped and supported me along the way." Ismail Haji - Apprentice Carpenter, Brown and Carroll

Best 2nd Year Apprentice "Zac has proven himself to be an adept learner,

ZACYA EL-KHOURY

taking on new tasks with enthusiasm and endeavour. During this phase of works Zac's responsibilities have increased and some include important tracking of site activities that help corollate information for the design team and client.

Zac regularly attends site logistics meetings to get a better understanding of all the different elements that come together in running a construction site. He still has plenty to learn but if he continues learning and applying himself, he will do well."

Charlie Merrifield - Project Manager, Deconstruct

"I've really enjoyed every aspect of my apprenticeship so far and I'm excited to see how I can grow professionally over the coming years. I'm extremely grateful to Deconstruct and to K10 for everything they've done for me to this point, I can't wait to complete my qualification and progress in my career."

Zacya El-Khoury - Apprentice Site Manager, Deconstruct
